

Holiday Inn Express Pet Agreement

We are happy to accommodate your pet at the Holiday Inn Express, but we ask that you follow these guidelines:

The charge is \$20.00 per day. There is a \$50.00 pet deposit which may be put down in cash or help against a credit card. The entire deposit amount will be refunded at check-out providing there is no damage or undone cleaning or repair.

Please understand that your room must be inspected at check-out. The vast majority of pets are very well behaved, but we must check. If there is any damage, we will hold your pet deposit and reserve the right to charge for any excessive cleaning or repair.

Never leave your pet unattended. Your pet is in a strange environment, and if you leave, the pet could very well make noise that could disturb other guests. If you do leave unattended we are not able to contact you to suppress the noise, we reserve the right to call the local animal control office and remove the pet.

If you are unable to suppress the noise, we reserve the right to ask you to leave the hotel without compensation.

Please clean up after your pet. It is not pleasant for another guest to step in the mess left on the lawn!

We hope you and your pet's stay with us is a pleasant one!
